## **Aqua Classes:**

**Aqua Aerobics:** Water Aerobic exercise is a cardio workout combined with muscle toning activities to create a full body limited impact workout. the class uses various formats, including resistant equipment.

**Aqua Arthritis:** Join us to maintain and increase your range of motion. Toning and flexibility exercises are specified by the Arthritis Foundation. The water's buoyancy and warmth help to decrease pain and stiffness while improving joint flexibility.

**Deep Water Aquafit:** This no-impact class combines aerobic activity and muscle toning with an emphasis on core strengthening. Resistant equipment is used.

**Silver Splash Aquafit:** This class uses a signature splash-board to increase movement and intensity options. Splash is suitable for all skill levels.

## **30 Minute or Less Classes:**

**Circuit 20:** Circuit 20 is a fast-paced workout using timed stations (1 minute each) that alternate strength exercises with cardio intervals to keep your heart rate up. This efficient, full-body circuit builds strength, improves endurance, and delivers a powerful workout in just 20 minutes. All fitness levels welcome—go at your own pace and challenge yourself!

**Hit The Beat 20:** Ready for a quick boost of energy? This 20-minute mini session is designed to help you conquer your workout with strength, stamina, and a smile! You'll engage every major muscle group through a fun, high-energy mix of cardio and strength. Expect to punch, dance, and sweat your way to renewed energy—leaving you feeling stronger, happier, and ready to take on the rest of your day.

**Pilates:** Is a form of strength training that focuses on improving muscle tone, endurance and stability. Pilates is a type of exercise in which you perform a series of controlled movements with precision for a total body workout.

**Ignite Circuit:** Fast-paced bootcamp circuit features 1-minute intervals per exercise, combining strength, cardio and endurance to maximize results in minimal time.

**Zumba:** Get ready to move, sweat, and smile! Zumba is a high-energy dance fitness class that blends reggaeton, cumbia, salsa, and merengue—the four core rhythms of Zumba—along with other global styles like bachata, hip-hop, flamenco, soca, samba, and pop. This easy-to-follow, full-body workout delivers a fun, party-style atmosphere that makes fitness feel like a celebration. No dance experience needed—just come ready to move and have fun!

**Body Blitz:** 30 Minutes of high intensity, short intervals for increased overall strength targeting every muscle. Using dumbbells and body weight exercises.

**YO:** Upbeat yoga inspired, modern music driven stretching format. This workout incorporates stretching, strength and balance to improve overall health, and shows what a difference stretching can make in our lives and for our bodies. Get ready to move to your favorite tunes and get your sweat on.

## **Yoga/Stretch Classes:**

**Gentle Stretch:** This class is designed to stretch, tone and strengthen the entire body. This class will help improve your flexibility, circulation, and posture and relieve stress.

**Gentle Yoga:** This class is designed for people who want to start at the beginning and learn the basics of yoga poses. We will focus on proper alignment, breathing and understanding the benefits of each pose. We will explore some modifications and adjustments of poses, and learn how to use props such as blocks and straps to help us relax more deeply into poses. This is a mat class so participants should feel comfortable getting up from and going down to the floor.

**Chair Yoga:** A gentle beginner's class in which we use the chair for support through all poses, either standing next to the chair or sitting in it. Emphasis is on exploring range of motion; breathing exercises; and developing greater flexibility. No mat needed, just comfortable, stretch clothing.

**Strength & Stretch Yoga:** A gentle flowing class, beneficial for intermediate students, with emphasis on slow movement through the available range of motion, gradually building strength and flexibility.

## **Silver Sneakers:**

**Silver Sneakers Yoga:** Seated and standing yoga poses to increase flexibility, balance and range of motion.

**Silver Sneakers Classic:** Seated and standing exercises to increase muscular strength, range of motion and activities for daily living.
