

MEMBERSHIP MEANS MORE!

When you join a Y, you join an organization in your community that offers activities fostering health, hope and opportunity. Adults connect with friends, pursue their interests and learn how to live healthier.

The Oneonta Family YMCA is a membership based organization. Our main objective is to serve our members who have made a commitment by joining the YMCA. We welcome everyone to come in and take a tour of our facility! The following facility guidelines are intended to enhance our Member services.

The Oneonta Family YMCA facility conducts regular sex offender screenings on all members, participants, and staff. If a match occurs, the YMCA will cancel membership, end program participation and remove visitation access.

CHILD SAFETY POLICY

The YMCA is dedicated to the safety of all children in our facility and on our grounds. For this reason, we require that the following guidelines are followed at the Oneonta Family YMCA.

- **Youth Members ages 10 and under** are welcome at the YMCA as long as they are under the **direct supervision** of a parent or adult guardian (18 years of age or older), or are enrolled in a YMCA program, in which they are supervised by an instructor.
- **Youth Members ages 10 and under** must be picked up and dropped off at program area. At this time parents are to wait outside the program area, but remain accessible if needed.
- **Youth Members ages 10 and under** must be under adult supervision in changing areas and restrooms.
- **Participants understand that membership may be terminated based on inappropriate behavior, or for other actions not aligned with the values and purposes of the Oneonta Family YMCA.**

Parents and guardians must abide by the guidelines listed above, as we take the safety of our staff and patrons very seriously. YMCA employees do not directly supervise youth throughout the facility, unless they are registered and participating in a YMCA program.

Parents will be asked to update their participant information. It is very important that we have current addresses, telephone numbers & emergency contact information on file for all YMCA members and children who participate in YMCA programs.
