# SAFETY AROUND WATER

The World is 71% Water  
Your Child is 100% Curious

Safety Around Water Week

July 28-31, 2025

**FREE to all participants!**

**Teaching children how to be safe around water is not a luxury; it is a necessity.**

The YMCA's *Safety Around Water* program can help you make sure they learn essential water safety skills, which can open up a world of possibilities for them.

Don't lose out on the *health benefits* of exercise, the opportunities to bond with *friends* and the *sense of accomplishment* of learning new skills.

*In memory of Steve Lyden*
