A lesson request form must be filled out prior to purchasing a private lesson ticket. This will give us the information needed to select an instructor that fits best!

The prices for semi-private lessons are totals for the lesson, not a per person rate. If you are taking a semi-private lesson one individual should make the payment and collect the money from the other individual/ individuals. **The front desk is not set up to take partial payments from several individuals who are sharing one lesson.** Only one payment can be accepted for each lesson.

When you pay for your lesson please make sure the front desk gives you a **ticket**. You must fill in the ticket and present it to the instructor **before** the lesson begins.

Please wear appropriate attire for your lesson, nothing loose or baggy. **Jewelry should not be worn during a lesson and long hair must be tied back and out of the face.**

If you must cancel a lesson, please do so 12 hours in advance by contacting the instructor. You will be charged the full price of the lesson if you do not cancel within this time frame.

Private swim lessons are an additional service we are happy to provide. Please help us by following the rules stated above.
