Calling all island explorers and astronauts! We'll play some team-building games that you might use if you ever find yourself on a deserted island or on a planet far, far away! No program July 4th.

Week 2: July 8-12 Pirates / Wizards

Climb aboard our wizard-y pirate ship as we sail our way through a week of swash-buckling, magical fun! Practice your pirate speak and make up a magical incantation using your pirate-y best language. Ahoy ye dastardly dragons!

Week 3: July 15-19 Getting Dirty / Splish Splash

Splish! Splash! We *aren't* takin' a bath! This week is all about getting down and dirty and we aren't going to worry about it one bit! And remember... the most memorable days usually end with the dirtiest clothes.

Week 4: July 22-26 Mad Science / Construction

Is it science or is it construction? Let's use our scientific know-how to construct some marvelous fun. If you build it... they will come!

Week 5: July 29-August 2 Rainforest Adventure/ Safari

We'll creep through the woods and find the smallest... and the biggest... creatures we can. This week will get everyone working together to find the creatures of their dreams... but first, you need to *be* the creature!

Week 6: August 5-9 Exploration / Creative Campers

Bring your thinking caps as we play games that ask you to become the biggest... the best... the brightest... and the LOUDEST explorer that you can be!
